Bonsai Circle

Two doors, one room.

Most networks make you choose. A boardroom, or a referral machine. The Bonsai Circle opens both doors, in the same meeting, to the same trusted room.

01

Every member, chosen.

Vetted before they walk in. Basic DBS, Companies House and adverse-media checks, identity, address and references, taken up.

02

Referral or problem. Your choice.

Bring a referral, bring a problem, or just come to listen. Nobody is measured. Nobody is scored.

03

Chatham House. Actually.

No recording. No screenshots. No WhatsApp group. Every conversation held in confidence, on our own moderated platform.

04

Meetings that suit adults.

Online, bi-weekly, at times that suit working parents. No 06:30 starts. No fines. No scorecards. In-person meetings in Kent to follow.
